My Give A Damn's Busted

Joe Diffie

Well you filled up my head with so many lies
You twisted my heart till something snapped inside
I'd like to give it one more try but my give a damn's busted
You can crawl back home say you were wrong
Stand out in the yard and cry all night long
Go ahead and water the lawn, my give a damn's busted
I really wanna care, I wanna feel somethin'
Let me dig a little deeper nah sorry, nothin'

You can say you've got issues, you can say you're a victim
It's all your parents fault, I mean, after all you didn't pick em
Maybe somebody else has got time to listen, my give a damn's busted
Well your therapist says it was all a mistake
A product of the Prozac and your co-dependent ways
So who's your enabler these days? My give a damn's busted.
I really wanna care, I wanna feel somethin'
Let me dig a little deeper, nah, still nothin'
