

# Sweetly Sweetly

## And One

She came from the U-Bahn right now auf mich zu  
Mein Herz wurde faster denn the reason warst nur you  
Why don't you open your mind - hr mir zu!  
I know es klingt crazy but I only want a Kind from you  
Sweety Sweetly marry me  
Hundertausend kids for me  
Chances will passing by  
My dear  
Don't take it mir bel when I let you keine ruh'  
I don't want to drngel you but I only want a Kind from you
