

Bingo

M.i.a.

Can you keep a secret from them other people
If I tell you 'bout wha-gwan?
And would you let me know if I forget the secret
Took my eye off of the ball?
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6, yeah
I know what's goin' on
I know how you goin' on
I got the ra ra
Go ahead and throw the ball
I don't be runnin' at all
I got my own goal
I stand in one place
And make sure I just hit the ball
Can you keep a secret from them other people
If I tell you 'bout wha-gwan?
And would you let me know if I forget the secret
Took my eye off of the ball?
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6, yeah
You drink too much rum
You make me wanna run
I make no assumption
Ass will get the hump on
Wha's the point of talkin' gun?
I'm donel Blitz and bombed
That what I don't run

For the sake of havin' fun
Can you keep a secret from them other people
If I tell you 'bout wha-gwan?
And would you let me know if I forget the secret
Took my eye off of the ball?
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6

'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
Do you know what is on?
Do you know what is on?
Do you know how this beat
Is made in fuckin' London, doc?
Do you know what is on?
Do you know what is on?
Do you know how this beat
Is made in fuckin' London, doc?
Can you keep a secret from them other people
If I tell you 'bout wha-gwan?
And would you let me know if I forget the secret
Took my eye off of the ball?
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
'Cause Bingo, now I'm hittin' a 6
I'm hittin' a 6
I'm hittin' a 6
I'm hittin' a 6
I'm hittin' a 6
