

# Burning In Love

## Honeymoon Suite

What did I say to you, what did you see me do  
That made ya turn to stone overnight  
I thought I played it right  
Lovin' you deep in the night  
The chain of love is broken now  
Why can't we start again  
'Cause my heart won't mend  
But you say no, then you go, and I break down I'm still a lonely man burning in love  
I'm still a lonely man burning in love What did he say to you  
What did he promise you  
That made you change from white to black  
I don't understand it  
It seems so underhanded  
I want to hate you but I'm still in love  
Why can't we start again,  
'Cause my heart won't mend  
But you say no, then you go  
And I break down I'm still a lonely man burning in love  
I'm still a lonely man burning in love Why can't we start again  
'Cause my heart won't mend  
But you say no, then you go  
And I break down I'm still a lonely man burning in love  
I'm still a lonely man burning in love I'm still a lonely man burning in love  
I'm still a lonely man burning in love Burning in love  
Burning, burning in love  
Burning in love  
Burning in love
