# Last Dance

## John Clinebell

say hello to your last chance
same as your first chance
a kinder reminder from ozma
say hello to the new sound
same as the old sound
so spin it, get in it, and stay
i knew that the night had an end soon in sight until you called my name
say hello when you've spied her
sitting on the dryer
it's spinning, 9th inning, so play
say hello like a spider

weave a web right beside her
spin it, get in it, and pray
i knew that the night had an end soon in sight until you called my name
i knew all along i was right but i'm wrong somehow you knew my name
after the last dance, you lose your last chance
after the last dance, you lose your last chance
you lose your last chance
you lose your last chance
you've lost your last chance
