

# If Lonesome Donâ€™t Kill Me

## Blue Highway

Well the whiskey's for the hard times  
From here it's all uphill  
So if lonesome don't kill me  
Maybe the whiskey will  
Maybe the whiskey will Well she'd left me without warnin'  
Packed it up and gone  
She'll be [?] by the morning  
Time for movin' on  
'fraid the bus moves on  
Well you know this ain't my first time  
It sure won't be the last  
All I need is a reason  
George Dickel in a glass  
It's comin' on me fast I'll be [?] her tomorrow  
Hurtin' just the same  
Lost and I'm drown' in sorrow  
Born out of flame  
Just like a hurricane  
Well whiskey's for the hard times  
From here it's all uphill  
So if lonesome don't kill me  
Maybe the whiskey will  
Maybe the whiskey will
