

Fall

Lisa Bassenge Trio

On the edge of something real
I have a choice, but I don't know what to feel
 Getting tired of all this fear
Before I choose, let me know that you'll be here
 Let me know that you'll be here
 Cause I'm not afraid to fall
 If you're the one who catches me
 Tell me that you'll be there when I'm
 About to lose it all
 Cause you're the one who helps me see
 That sometimes it's ok to fall
 When I'm far away from where you are
 It's ok, cause we're under the same stars
 I'm laying down this heavy load
 Maybe now I can finally let this go
 I can finally let you know
 But I'm not afraid to fall
 If you're the one who catches me
 Tell me that you'll be there when I'm
 About to lose it all
 Cause you're the one who helps me see
 That sometimes it's ok

To fall Oh Oh
To fall Oh Oh
To fall Oh oh
 To fall
 To fall Oh Oh
 To fall Oh Oh
 To fall Oh Oh
 To fall
 Not afraid to fall
 If you're the one who catches me
 Tell me that you'll be there when I'm
 About to lose it all
 Cause you're the one who helps me see
 That sometimes it's ok to fall
 Oh Oh Oh (Cause I'm not afraid to fall)
Fall Oh Oh Oh (If you're the one who catches me)

That sometimes it's ok to fall
When I'm about to lose it all
You're the one who helps me see
That sometimes it's ok
It will be okay
That sometimes it's ok, to fall
I'm gonna fall
