

Stereotypes

Blur

The suburbs they are dreaming
They're a twinkle in her eye
She's been feeling frisky
Since her husband said goodbye
She wears a low cut T-shirt runs a little B&B
She's most accommodating when she's in her lingerie
Wife swapping is the future
You know that it would suit you
Yes, they're stereotypes
There must be more to life
All your life you are dreaming
And then you stop dreaming
From time to time you know
You should be going on another bender
The suburbs they are sleeping
But he's dressing up tonight
She likes a man in uniform he loves to wear it tight
They're on the lovers sofa they're on the patio
And when the fun is over watch themselves on video
