

I Got It from Agnes

Tom Lehrer

I love my friends,
And they love me
We're just as close,
As we can be
And just because,
We really care
What ever we get
We share!

I got it from Agnes,
She got it from Jim
We all agree
It must have been Louise,
Who gave it to him

She got it from Harry
Who got it from Marie
And everybody knows that Marie
Got it from me!

Giles got it from Daphne,
She got it from Joan,
She picked it up in Ireland,
A-kissin' the Blarney Stone

Pierre gave it to Shiela,
Who must have brought it there
He got it from Francois and Jaques,
Aha!
Lucky Pierre!

Max got it from Edith,
Who gets it every spring
She got it from her daddy,
Who just gives her everything

She then gave to Daniel,
Whose spaniel has it now
Our dentist even got it and we still

Wondering "How?!"

But I got it from Agnes,
Or maybe it was Sue...

Or Mille,

Or Billie,

Or Gillie,

Or Willie

It doesn't matter who!

It might have been at the pub,

Or at the club,

Or in the loo

And if you will my friend,

Then I might...

Mind you,

I said "might"...

Give it to you!
