## **Satellite of Love**

## Lou Reed

Satellite's gone
up to the skies
Thing like that drive me
out of my mindI watched it for a little while
I like to watch things on TVSatellite of love
satellite of love
Satellite of love

satellite of Satellite's gone

way up to Mars

Soon it will be filled

with parking carsI watch it for a little while I love to watch things on TVSatellite of love

satellite of love

Satellite of love

satellite of I've been told that you've been bold with Harry, Mark and John

Monday, Tuesday, Wednesday to Thursday with Harry, Mark and JohnSatellite's gone

up to the skies

Thing like that drive me out of my mindI watched it for a little while I love to watch things on TVSatellite of love

satellite of love

Satellite of love

satellite of Satellite of love
