# Changing Partners

## Patti Page

We were waltzing together to a dreamy melody
When they called out, "Change partners" and you waltzed away from me
Now my arms feel so empty as I gaze around the floor
And I'll keep on changing partners till I hold you once moreThough we danced for one moment and too soon we had to part
In that wonderful moment something happened to my heart
So I'll keep changing partners till you're in my arms and then
Oh, my darlin' I will never change partners againSo I'll keep changing partners till you're in my arms and then
Oh, my darlin' I will never change partners again
Oh, my darlin' I will never change partners again
Never again, never again, never again
