

# Take Me Away

## Delirious?

I'm in love with a girl everybody seems to know  
I'll sing it loud, sing it 'cause I'm feeling proud of love  
Oh yeah, this is love You take me away to another place  
You show me a way to a higher grace  
You take me away to another place  
I'm seeing it all with a happy face She can walk on the waves  
Crashing through my own desire  
Swing and sway, dance until my demons fly away  
This is love, this is love
