Pray

Gothminister

I'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your dayI'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your dayWe tried to tell you not to listen
We tried to make you to understand
We wanted you to be like the masses
We want you to be an avarage man
And now the darkness has brought you forsaken
And now the light no longer exist
You feel the pain is groing stronger
What you need is an exorcist
I'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your dayI'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your dayI'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your day
We tried to tell you not to listen
We tried to make you to understand
We wanted you to be like the masses
But now the darkness has changed your plans
You've become the man they fear now
You are now in the mess*
You feel the pain is groing stronger
What you need is an exorcistI'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your dayI'll pray for you
For you are not the same
I'll pray for you
Tomorrow is your dayI'll pray for you
I'll pray for you
