

From The Inside Out

Hillsong

A thousand times I've failed
Still Your mercy remains
And should I stumble again
Still I'm caught in Your graceEverlasting
Your light will shine when all else fades
Never ending
Your glory goes beyond all fameMy heart and my soul, I give You control
Consume me from the inside out, Lord
Let justice and praise become my embrace
To love You from the inside outYour will above all else
My purpose remains
The art of losing myself
In bringing You praiseEverlasting
Your light will shine when all else fades
Never ending
Your glory goes beyond all fameMy heart and my soul, I give You control
Consume me from the inside out, Lord
Let justice and praise become my embrace
To love You from the inside outEverlasting
Your light will shine when all else fades
Never ending
Your glory goes beyond all fameAnd the cry of my heart
Is to bring You praise
From the inside out
Lord, my soul cries outMy soul cries out to You
My soul cries out to You
To You, to YouMy heart and my soul, I give You control
Consume me from the inside out, Lord
Let justice and praise become my embrace
To love You from the inside outEverlasting
Your light will shine when all else fades
Never ending
Your glory goes beyond all fameAnd the cry of my heart
Is to bring You praise
From the inside out
Lord, my soul cries outEverlasting
Your light will shine when all else fades
Never ending
Your glory goes beyond all fameAnd the cry of my heart

Is to bring You praise
From the inside out
Lord, my soul cries out From the inside out
Lord, my soul cries out
From the inside out
Lord, my soul cries out
