To nyiri matinde go ibotimuu nadi  
Aol go nyiri matinde gi poo yamo komoro

Baby baby, please I can't wait any longer  
To settle down darling, with me  
Coz everything that we've been through  
Makes me want you more and more  
Baby baby please don't you break my heart  
You're the one I love  
It's time that you should think of me  
As your Mr Right
