

You're Just In Love (From "Call Me Madam")

Perry Como & The Fontane Sisters

I hear singing and there's no one there
I smell blossoms and the trees are bare
All day long I seem to walk on air
I wonder why, I wonder why I keep tossing in my sleep at night
And what's more I've lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes, I wonder why You don't need analyzing
It is not so surprisin'
That you feel very strange but nice Your heart goes pitter-patter
I know just what's the matter
Because I've been there once or twice
Put your head on my shoulder
You need someone who's older
A rub-down with a velvet glove There is nothing you can take
To relieve that pleasant ache
You're not sick, you're just in love I hear singing and there's no one there
(You don't need analyzing, it is not so surprisin')
I smell blossoms and the trees are bare
(That you feel very strange but nice) All day long I seem to walk on air
(Your heart goes pitter-patter, I know just what's the matter)
I wonder why?
(Because I've been there once or twice)
I wonder why
I keep tossing in my sleep at night
(Put your head on my shoulder, you need someone who's older)
And what's more I've lost my appetite
(A rub-down with a velvet glove) Stars that used to twinkle in the skies
(There is nothing you can take, to relieve that pleasant ache)
Are twinkling in my eyes
(You're not sick)
I wonder why?
(You're just in love) Now, you know why
Now, I know why
I'm just in love
