

# Stadium Love

## Metric

Wanna make a bet  
We'll be neck to neck taking off the gloves  
Spider versus bat  
Tiger versus rat, rabbit versus doveWanna make a bet  
Odds are neck to neck taking off the gloves  
Spider versus bat  
Tiger versus rat, owl versus doveEvery living thing pushed into the ring  
Fight it out to wow the crowd  
Guess you thought you couldn't just watch  
No one's getting outWithout stadium love  
Without stadium loveWanna make a trade  
Cougar for a snake, wanna fall in love  
Wanna make a deal  
Angel versus eel, owl versus doveEvery living thing pushed into the ring  
Fight it out to wow the crowd  
Guess you thought you couldn't just watch  
No one's getting outWithout stadium love  
Without stadium loveWe've got stadium love  
We've got stadium love  
We've got stadium love  
We've got stadium loveStadium love, love, love, love  
Stadium love, love, love, love
