The Devil in Me

Primal Fear

On my way to reach heaven
In the darkest night
When an angel is headinh to hellSome call in hit and run
Some others hold a gun
Hear the sound of the bellSomeday the curse will be done
Now is the time
That we're waiting for so long
Hang tough - stay wild
There's no return
The devil in meHang tough
On the wing of an eagle
There's no return
The devil in meThe full moon is rising
The raven dies
It is time to start our storyThe eyes of a cat
The cry of a witch
A night made with glorySomeday the curse will be done
Now is the time
That we're waiting for so long
Hang tough - stay wild
There's no return
The devil in me
Hang tough
On the wing of an eagle
There's no return
The devil in me
