

# We Must Be Killers

[Mikky Ekko](#)

I woke up, I was stuck in a dream  
You were there, you were tearing up everything  
And we all know how to fake it baby  
And we all know what we've done  
We must be killers  
Children of the wild ones  
Killers  
Where do we have left to run?  
Killer [8x]

Set my body free  
The silver tack is in the moon light running  
And the wind in the trees  
Singing do you believe?

And we all know how to fake it baby  
And all I know is gone  
We must be killers  
Children of the wild ones  
Killers where do we have left to run?  
Killer [8x]

And we all know how to fake it baby  
And we all know what we have done  
We must be killers  
Children of the wild ones  
Killers  
Where do we have left to run?  
Killer [8x]

Children of the wild ones [3x]
