

# Girl Like That

## O-Town

Advisory - the following lyrics contain explicit language:

We're going out tonight  
New shell toes with blue stripes  
My braves got through the side  
Faded blue Levis The club pops off at ten  
But we won't be there then  
Gotta stop at In 'n' out and get a number three  
But hold the onions please Pullin' up to the valet  
Though I hate to be that way  
But a player's gotta play in VIP  
Which girls are coming with me? In a red dress I wanna girl like that  
Half undressed, I need a girl like that  
Out late night, gimme a girl like that  
Hey, hey, hey, hey With a tongue ring, I wanna a girl like that  
Doin' her own thing, I need a girl like that  
A little tattoo, gimme a girl like that  
Hey, hey, hey, hey Now we're up in VIP  
Got this honey next to me  
And she screams  
When the DJ plays Peaches and Cream Baby, do that dance for me  
Get your friends 'round two or three  
We can rendezvous and do that thing we do  
I wanna drink to you After drinks it's time to leave  
Go to valet, get my keys  
Here's a fifty keep the change  
Jump in the range  
Which honey's coming with me In a red dress, I wanna girl like that  
Half undressed, I need a girl like that  
Out late night, gimme a girl like that  
Hey, hey, hey, hey With a tongue ring, I wanna a girl like that  
Doin' her own thing, I need a girl like that  
A little tattoo, gimme a girl like that  
Hey, hey, hey, hey It's a party, girls all around me

It's a party, getting rowdy  
It's a party, it's a party  
Clap your hands Everybody up in the party  
Everybody time to get rowdy  
Everybody up in the party, clap Oh, my God, it's six am  
The party's coming to an end  
She asked me when we will again  
Is that a sin? Tomorrow it's her best friend In a red dress, I wanna girl like that  
Half undressed, I need a girl like that  
Out late night, gimme a girl like that  
Hey, hey, hey, hey With a tongue ring, I wanna a girl like that  
Doin' her own thing, I need a girl like that  
A little tattoo, gimme a girl like that  
Hey, hey, hey, hey In a red dress, I wanna girl like that  
Half undressed, I need a girl like that  
Out late night, gimme a girl like that  
Hey, hey, hey, hey With a tongue ring, I wanna a girl like that  
Doin' her own thing, I need a girl like that  
A little tattoo, gimme a girl like that  
Hey, hey, hey, hey, hey
