

# Ain't My Last Dance

## Five Finger Death Punch

I'm the apocalypse  
With a fat lip  
I never did and  
I still don't give a s\*\*\*  
I'm just an outcast  
You swore I'd never last  
I got news for you  
This ain't my last dance  
This ain't my last dance I've given it all  
I've given everything for you  
I've given you all  
What more do you want me to do  
I've taken the fall  
I've given everything to you  
I've given my all  
Will it ever be enough for you I am your nemesis  
I don't regret this  
I wrote the f\*\*\*ing book  
With no consensus  
Wanna live fast  
You said I'd never last  
Let me say it again  
This ain't my last dance  
This ain't my last dance I've given it all  
I've given everything for you  
I've given you all  
What more do you want me to do  
I've taken the fall  
I've given everything to you  
I've given my all  
Will it ever be enough for you I won't say it wrong  
It comes together now  
Falls together now  
I won't say I'd wait  
But it falls together now  
Comes together now  
This ain't my last dance I've given it all  
I've given everything for you  
I've given you all

What more do you want me to do  
I've taken the fall  
I've given everything to you  
I've given my all  
Will it ever be enough for you  
This ain't my last dance
