Only Love

Wildhearts

It's only love
That keeps you going when you're far away
It's only love
And it keeps on growing deeper every dayIt's only love that makes the world go 'round
And when you're feeling down
It picks you up, and gives you all the strength you're needing
Still you're feeling, still believe in loveIts making you feel it
Only love, that's making you need it
Only love that's making you feel that you believe it
And a lifetime ain't enoughIt's only love
That makes a bridge that closes up the miles
It's only love
That'll leave you feeling helpless as a childIt's only love that makes the world go 'round
And makes you glad you found a reason enough
To keep you going, keep believing
Keep you in the light you feel in loveIts making you feel it
Only love, that's making you need it
Only love that's making you feel that you believe it
And a lifetime ain't enough
