

Gettin' Old

Getting Old - David Gogo

I can't stay up all night drinking whiskey and wine anymore

I can't stay up all night drinking whiskey and wine anymore

I get sick, I get tired my head gets sore

I can't stay up all night drinking whiskey and wine anymore

Yeah ! Yeah ! Yeah !

Young pretty girls don't wanna talk to me anymore

Young pretty girls don't wanna talk to me anymore

They think I'm weird, I'm random , I'm a bore

Young pretty girls don't wanna talk to me anymore

I don't like it

Whoa Now

I can't help it

I'm getting old

Solo

I can't fit into my skinny black jeans anymore

I can't fit into my skinny black jeans anymore

Fit one leg, fit two, and they tore

I can't fit into my skinny black jeans anymore

I don't like it

Whoa Now

I can't help it

I'm getting old
