# Fade Away

## Seether

I wanna be there when you call
I wanna catch you when you fall
I wanna be the one you need
I wanna be the one you breatheTodays the day well fade away, oh
Todays the day well fade away, oh
Todays the day well find our way grown
Todays the day well fade awayI wanna be there when you cry
And when you're down I'll help you fly
I wanna be the one you need
I wanna be the one you breatheTodays the day well fade away, oh
Todays the day well fade away, oh
Todays the day well find our way grown
Todays the day well fade away, ohBut Im coming back, and Im taking back, everything I can
Its breaking me up and tearing me up, its all I have
And Im coming back and Im taking back, everything I can
Its breaking me up and tearing me up, its all I haveTodays the day well fade away, oh
Todays the day well fade away, oh
Todays the day well find our way grown
Todays the day well fade away, oh
Todays the day well fade away, oh
Todays the day well fade away
