

Fade Away

[Seether](#)

I wanna be there when you call
I wanna catch you when you fall
I wanna be the one you need
I wanna be the one you breathe
Today's the day we'll fade away, oh
Today's the day we'll fade away, oh
Today's the day we'll find our way grown
Today's the day we'll fade away
I wanna be there when you cry
And when you're down I'll help you fly
I wanna be the one you need
I wanna be the one you breathe
Today's the day we'll fade away, oh
Today's the day we'll fade away, oh
Today's the day we'll find our way grown
Today's the day we'll fade away, oh
But I'm coming back, and I'm taking back, everything I can
It's breaking me up and tearing me up, it's all I have
And I'm coming back and I'm taking back, everything I can
It's breaking me up and tearing me up, it's all I have
Today's the day we'll fade away, oh
Today's the day we'll find our way grown
Today's the day we'll fade away, oh
Today's the day we'll fade away, oh
Today's the day we'll fade away
