Don't You Want Me

Bahamas

You were working as a waitress in a cocktail bar
When I met you. I picked you out
I shook you up
And turned you around
Turned you into someone new.
Now five years later on you've got the world at your feet
Success has been so easy for you.
But don't forget it's me who put you where you are now
And I can put you back down tooDon't
Don't you want me?
You know I don't believe it
When I see that you don't need me
Don't
Don't you want me?
You know can't believe you
When you say that you won't see me
Now I wait to find
When you think you've changed your mind
You'd better change it back or we will both be sorry.Don't you want me baby?
Don't you want me, oh?
Don't you want me baby?
Don't you want me, oh?I was working as a waitress in a cocktail bar
That much is true.
But even then I knew I'd find a much better place
Either with or without you.
The five years we have had have been such good times
I still love you.
But now I think it's time I live my life on my own
I guess it's just what I must doDon't
Don't you want me?
You know I can't believe it
When you say that you won't see me
Don't
Don't you want me?
You know I don't believe you
When you say that you don't need me
Now I wait to find
You've changed your mind
You'd better change it back or we will both be sorry.Don't you want me baby?

Don't you want me, oh?
Don't you want me baby?
Don't you want me, oh?Don't you want me baby?
Don't you want me, oh?
Don't you want me baby?
Don't you want me, oh?
