Love

Solid Base

Na na na na na...I don't wanna spend my nights alone, away from you.
'Cause I miss you baby, and I need to be sure you know.
You know, I'm so in love with you.Love is all that you need, just give it to me.
And I'll make you see there's nothing like it, love..
Just reach out and touch, I want you so much
I know you wanna do it too..Na na na na na...I don't wanna spend my nights alone, away from you.
'Cause I miss you baby, and I need to be sure you know.
You know, I'm so in love with you.Love is all that you need, just give it to me.
And I'll make you see there's nothing like it, love..
Just reach out and touch, I want you so much
I know you wanna do it too..I'm in love with you baby, you're driving me crazy,
I'm so in love with you. (x4)Na na na na na...I don't wanna spend my nights alone, away from you.
'Cause I miss you baby, and I need to be sure you know.
You know, I'm so in love with you.I'm in love with you baby, you're driving me crazy,
I'm so in love with you. (x4)Na na na na na...Love is all that you need, just give it to me.
And I'll make you see there's nothing like it, love..
Just reach out and touch, I want you so much
I know you wanna do it too..Na na na na na...
