

# The Time Of Times

## Badly Drawn Boy

Oh, sweet morning  
Is your head not right?  
Did you heed my warning?  
This is the time of times  
And your head feels like your body  
Your mind is close behind  
There's a teardrop on your shoulder  
Says this is the time of times  
It's the time of times again  
This is the time of times  
It's the time of times again  
Oh, sweet morning  
And your head's not right  
Did you heed my warning?  
This is the time of times  
And your head feels like your body  
Your mind is close behind  
There's a teardrop on your shoulder  
Says this is the time of times  
It's the time of times again  
The time of times  
Yeah, this is the time of times
