

# We All Want Love

## Rihanna

We all, we all

I can pretend that I'm not lonely  
But I'll be constantly fooling my self  
I can pretend that it don't matter  
But I'll be sitting here lying to myself

Some say love aint worth the buck  
But I'll give every dime I have left  
To have what I've only been dreaming about..

Everybody wants something, better want something  
What are you living for?  
Everybody needs something,  
fighting for something,  
I know what you're fighting for...  
Cos we all...

We all want someone there to hold,  
We just want somebody  
We all wanna be someone one and only,  
We all wanna be warm when its cold, yeah  
No one wants to be left scared and lonely

We all, we all, we all, we all, we all  
We all want the same thing,  
We all,  
We all want the same thing

Everybody wants something, gotta want something,  
Yeah yeah we all want love...

I'm able to close my eyes,  
yet my hearts not so blind,  
I feel so entitled of owes me,  
I want whats mine

And some say love aint worth the buck  
But I'll give 'em the last dime

To have what I've only been dreaming about...

Everybody wants something, better want something  
What are you living for?  
Everybody needs something,  
fighting for something,  
I know what you're fighting for...  
Cos we all...

We all want someone there to hold,  
We just want somebody  
We all wanna be somebody's one and only,  
We all wanna be warm when its cold, yeah yeah yeah  
No one wants to be left scared and lonely

We all, we all, we all, we all, we all  
We all want the same thing,  
We all, we all, we all, we all, we all,  
We all want the same thing  
We all, we all, we all, we all, we all,  
We all want the same thing

Everybody wants something, gotta want something  
Yeah, yeah we all want love...
