

Chou Wasabi

Julien DorÃ©

(feat. Micky Green)

Baby I love you less and less
Because of what you've done to me
Baby I love you less and less
Because of what you've done to me

Le ciel se couche
Sur ta peau de louve
Les oies sont rouges
Ta mÃ©moire est trouble

On a vu l'Espagne
La rive et les larmes
L'amour a ses failles
Et ses coeurs nomades

Baby I love you less and less
Because of what you've done to me
Baby I love you less and less
Because of what you've done to me

I'll be your soul
Baby just don't let me go
I'll be your soul
Baby just don't let me go

Se promettre ma douce
L'Enfer et ses sources
OÃ¹ les vipÃ¨res rousses
Se meuvent en eaux troubles

Je deviens sauvage
Mon torse se dÃ©charne
Pour que Paris s'enflamme
De nos retrouvailles

Baby I love you less and less
Because of what you've done to me
Baby I love you less and less

Because of what you've done to me

Baby I love you less and less
Because of what you've done to me
Baby I love you less and less
Because of what you've done to me

We used to be, we used to be, we used to be,
we used to be very happy
What lies all night
Remember we feel so alive

Now all that there is
The sweet souvenir
I walked down on the river, I put my feet in the water
I remember I remember we used to come here together

I need you so,
Baby just don't let me go
I need you so,
Baby just don't let me go

Baby I Love you less and less
Baby I Love you less and less
Because of what you've done to me
