Spoken:

Ha-ha-ha-ha

We're gonna try it one mo' time

The new, Cross Cut Saw

Comin' at you, hot an' heavy

Watch this!

Got a hell-uva groove to it, too!Hey brother, aah!I'm a cross cut saw

Just drag me across your log

I'm a cross cut saw

Just drag me across your log

I'll cut your wood so easy for you

You can't help but say 'Hot dog!'Some call me 'Wood-Choppin Sam'

Some call me 'Wood-Cuttin Bill'

Last girl I cut the wood for

Want me back againI'm a cross-cut saw

Just drag me across your log

I'll cut your wood so easy for you

You can't help me say, 'Hot dog')Now dig this!YeahGot a double-bladed ax

That's really cuttin' good

I'm a crosscut saw

Bury me in the woodI'm a crosscut saw

Just drag me across the log

I'll cut your wood so easy for youYou can't help but say, 'Hot Dog'Dig this!Yeah!

Well, alrightSpoken:

Hey, Mike!

Oh, Mike

Let's do it like we did in 1965

In that one little room, on the other side of the buildin'

We did Crosscut Saw

It went somethin' like this

And it had a hell-uva groove to it

(In that little room with no air conditioner over there)

Funk-aay, but gettin' on down  
Heavy stuff!  
Ha-ha-ha Watch this!(Bass player)  
Oooo-wee!  
Ooo-UH!  
I could feel that m'self Wait a minute!  
Let's take it from the top, one more time  
Do ya'all wanna go to the top one more time? I can't hear ya  
Do you want it from the top, one more time? We're goin' all the way to the top  
And come down with a hell-uva groove  
Ah, I might get out there and do the Boogie Woogie, myself  
It's gon' be sho' nuff funky! Bandmember says:  
('Watch this, man!') ooh-uh
