

Just A Little

Circuit Shaker

Oh, oh, oh
Oh, oh, oh, oh

If it's silent to dismay
It will break this feeling down
If I conquer this my way
I'd devour; I'd surround

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh

If it hurts you just a little
Then it cleans you when its done
Disappointment is the anchor
Disillusion is the sun

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh

If it's silent to dismay
It will break this feeling down
If I conquer this my way
I'd devour; I'd surround

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh
