

# Out In the Rain

**Buddy & Julie Miller**

These streets all know me the shadows whisper  
Tonight keeps looking back at me with neon eyes  
And if they've seen you they're not talking  
You think by now maybe they'd sympathize  
Out in the rain I keep on walking  
Out in the rain like the brokenhearted do  
I could be wrong but that's where you'll find me  
Out in the rain just looking for you  
The sky is cryin' the wind's against me  
Blows like some fugitive with no place left to hide  
I'm down to nothing but just this heartache  
That I keep carrying around inside  
Out in the rain
