It's Your Life

Joi

Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)People have you heard about the news?
It's a feelin', change is comin' soon.
So live your life as only you can do.
Forget the ones that don't seem to approve.Cause, it's your life. So keep it tight.
No matter if it's wrong or right.
It's your life. So keep it tight.
Ha, Ha, Ha, Ha. It all comes down to you!Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take ya out! (oh yeah)Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)Now, people, don't conform to every rule.
'Cause individuality is cool. (Yeah)
You just know when and where to cross that line.
Now, shake yo ass and gon' and free yo mind!Cause it's your life. So keep it tight.
No matter if it's wrong or right.
It's your life. So keep it tight.
Ha, Ha, Ha, Ha. It all comes down to you.Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)Shake what your momma gave ya!
It took her 9 damn months to make ya!
It only takes one second to take you out! (Oh yeah)
