

No Surrender

Glee Cast

We busted out of class had to get away from those fools
We learned more from a three minute record than we ever learned in school
 Tonight I hear the neighborhood drummer sound
 I can feel my heart begin to pound
You say you're tired and you just want to close your eyes and follow your dreams down

 We made a promise we swore we'd always remember
 No retreat no surrender
 Like soldiers in the winter's night with a vow to defend
 No retreat no surrender

Now young faces grow sad and old and hearts of fire grow cold
 We swore blood brothers against the wind
 I'm ready to grow young again
And hear your sister's voice calling us home across the open yards
 Well maybe we could cut someplace of our own
 With these drums and these guitars

 Blood brothers in the stormy night with a vow to defend
 No retreat no surrender

Now on the street tonight the lights grow dim
 The walls of my room are closing in
 There's a war outside still raging
 you say it ain't ours anymore to win
I want to sleep beneath peaceful skies in my lover's bed
 with a wide open country in my eyes
 and these romantic dreams in my head
