

Stay

Armin van Buuren

If this is true, I thought then, what will I think
Will I stay but rather I would get away
I'm scared that I won't find a thing
And afraid that I'll turn out to be alone, but I have to learn, have to try
I have to trust I have to cry
Have to see, have to know
That I can be myself I see it all I'm sure but
Do I know what's right
I thought I knew but it turns out the other way
I am scared that I won't find a thing
And afraid that I'll turn out to be alone, but I have to learn, have to try
I have to trust I have to cry
Have to see, have to know
That I can be myself And if I could I would stay
And if they're not, not in my way
I'll stare here in the distance
But I'll grow up to be just like you
I'll grow up to be just like you I want to tell you
Why would I try to
You are all that I, that I can see now
Why would I try to And I want to tell you
Why would I try to
You are all I can see now
I know I'll try to
