

Irie Beach Party

Rebel Souljahz

This one for the whole wide West side. Respect!
Want everybody to come down to Irie beach party
With the Rebel Souljah boyz. Listen!
Yeah. Whoah. Yeah. Yeah. The Irie beach party (and everybody is feeling the vibes)
We gonna feel Irie (said we'll be skankin until the sunrise)
Come jam with some stonies (and everybody is feeling the vibes)
Skank the night away (cause Rebel Souljahz is jamming tonight) Now it's a rager beach party and we be
jamming on the sand
And everybody feeling Irie, things are going as we planned
The vibrations coming strong, let the music run in you
Got to smoke the sensimilia and you know just what to do Cause we be skankin, yeah (a place you didn't know)
Well we be skankin, yeah (skank to rebel souls)
Well we be skankin, yeah (skank from dusk to dawn)
Cause when we party we be partying all night long
The Irie beach party (and everybody is feeling the vibes)
We gonna feel Irie (said we'll be skankin until the sunrise)
Come jam with some stonies (and everybody is feeling the vibes)
Skank the night away (cause Rebel Souljahz is jamming tonight) No matter from the East, no matter from the
(West side)
Come together (unify) the party at the (beachside)
Kick back, relax, and feel the natural
Cause Rebel Souljahz jamming tonight Cause we be skankin, yeah (a place you didn't know)
Well we be skankin, yeah (skank to rebel souls)
Well we be skankin, yeah (skank from dusk to dawn)
Cause when we party we be partying all night long The Irie beach party (and everybody is feeling the vibes)
We gonna feel Irie (said we'll be skankin until the sunrise)
Come jam with some stonies (and everybody is feeling the vibes)
Skank the night away (cause Rebel Souljahz is jamming tonight)
Yeah. Whoah. Yeah. Yeah.
Now this party is coming to an end
You got to cherish this moment that we have all spent
Cause next year we'll be coming back again (at where)
The same beach, same time, same place
And all you guys invited again (to a...) Irie beach party
Because Rebel Souljahz is jamming tonight The Irie beach party (and everybody is feeling the vibes)
We gonna feel Irie (said we'll be skankin until the sunrise)
Come jam with some stonies (and everybody is feeling the vibes)
Skank the night away (cause Rebel Souljahz is jamming tonight) Yeah. Whoah. Yeah. Yeah. We gonna feel Irie
(and everybody is feeling the vibes)

Skank the night away (cause Rebel Souljahz is jamming tonight
