

Inhuman Nature

Sepultura

Originally performed by Final Conflict
Poisoned Heart, Poisoned Mind??? hate
We are like facist???
create???
Where are our wrongs
We point fingers
But destruction never stops!
Can you stop it
Do you wanna
try???
all this shit is wrong....heres the right stuff

I!

Poisoned Hearts, Poisoned Minds

Join In Hate

We're Like Machines

Dead, Do Not Create

Sitting Docile

While All around is Rot

We Point Fingers

But Destruction Never Stops
Can You Stop It?

Do You Want To?
We Poison The Planet

Cities Contaminated With Acid Rain

We Poison Our Bodies To Alleviate The Pain

Of What We Do To Each Other

And What's Done To Us

And There Are TV-screens

Sowing The Seeds Of Distrust
Can You Stop It?

Do You Want To?
Can You Stop It?

Do You Want To?
Poisoned Hearts, Poisoned Minds

Join In Hate

We're Like Machines

Dead, Do Not Create

Sitting Docile

While All around is Rot

We Point Fingers

But Destruction Never Stops
Can You Stop It?

Do You Want To?
They Call It Human Nature

But Is This humane?

Hurting Each Other

Then Again And Again

How Can We Look At Ourselves

After What We've Done

Stop Looking Out For Yourself

Look Out For Everyone
Can You Stop It?

Do You Want To?

No!
