

Falling

Gaelle

I can close my eyes and make this
Moment last
As I watch raindrops of diamonds
Turn to glass
As the flowers
They were open
Right beside the
Strawberry fields
Like volcanic
Lava
I melt into your
Passionate kiss

But what happened
To us
Can't be explained by
Too much
I just can't get quite
Enough
I feel I'm falling
In love

Give a little
Take a little bit of my love
If you're ready
I'll show you what I've been thinking of
If you're willing
I'll take you to the garden of love
An' I just might surprise you babe
I'm swept off my feet
I'm falling
I feel I'm falling
In love

I can close my eyes and sail a
Round the world
And I'll find a million lovers
Boys and girls
Just like the flowers

They were open
Like beside the
Strawberry fields
It's the passion-
Ate people
We'll keep on moving
That's how it is

'Cause what happens
To us
Can't be explained by
Too much
We just can't get quite
Enough
We'll keep on falling
In love

I'm swept off my feet
I feel I'm falling in love
