# Wasted Arrows

## Comeback Kid

I wrote it off before the story began
And it came down to this, I can't pretend
You've been reckless
And lately I can tell by your front
You've misled me before
Now I know what you wantI've seen versions of you
They're becoming impossible to follow (well, you're something else)
Wasted arrows
Two worlds drawn apart
Was it desperation that pushed you over? (I can see you're not lucking out, man)
Wasted arrowsPrey on the weaknessYou put out the bait
You'd try anything
I resented you
'Cause you left me out to dry.
