

# Once Upon a Time She Said

Allison Moorer

Just getting by is getting old  
Locked up inside this pigeonhole  
Breaking my back with my bare hands  
Some of us can't some of us can't I don't have it in me  
A bullet needs a gun  
And in the land of plenty  
They need a champion  
I'm one more of many  
Not a lion on the sun Been hanging 'round and holding on  
Here underground way too long  
Losing my mind digging for gold  
All I can find as life unfolds is I don't have it in me  
A bullet needs a gun  
And in the land of plenty  
They need a champion  
I'm one more of many  
Not a lion in the sun It's unpopular  
To be unpopular  
It's unpopular  
To be unpopular isn't it sad?  
The ending won't be a happy one  
I'm one more of many  
Not a lion in the sun
