

Back In Time

Eiffel 65

Back In Time (One More Time)
Up And Down, Everytime I'm Flying High
Back In Time, In The Time, All The Time
Up And Down, Everytime I'm Flying
Back In Time, In The Time, One More Time
Always Up And Down, Everytime I'm Flying High
Back In Time, In The Time, All The Time
Up And Down, Everytime I'm Flying
Back In Time, In The Time, One More Time
Always Up And Down, Everytime I'm Flying High
Here In The Open Space Where Nothing
Seems To Move At All
I Can Run This Race Back In Time
From The World I Can Hide
Here In The Open Space Where Something
Seems To Float And Not Fall
I Can Feel The Madness Slow Down
I'm The Master Of Time
Back In Time, In The Time, All The Time
Up And Down, Everytime I'm Flying
Back In Time, In The Time, One More Time

Always Up And Down, Everytime I'm Flying High
Back In Time, In The Time, All The Time
Up And Down, Everytime I'm Flying
Back In Time, In The Time, One More Time
Always Up And Down, Everytime I'm Flying High
Here In The Open Space Where Nothing
Seems To Move At All
I Can Run This Race Back In Time
From The World I Can Hide
Here In The Open Space Where Something
Seems To Float And Not Fall
I Can Feel The Madness Slow Down
I'm The Master Of Time
Back In Time, In The Time, All The Time
Up And Down, Everytime I'm Flying
Back In Time, In The Time, One More Time
Always Up And Down, Everytime I'm Flying High

Back In Time, In The Time, All The Time
Up And Down, Everytime I'm Flying
Back In Time, In The Time, One More Time
Always Up And Down, Everytime I'm Flying High
