

# Scrapple from the Apple

Charlie Parker & Miles Davis

I'm cuttin' out to see the Apple  
Grab my Alto Sax and I'm back on the road  
I've practiced everything that's out  
No doubt I'll be makin' it big  
Just giggin' with those Cats in New York I'm gonna cut me off some scrapple  
Gonna cut that Apple right down to the core  
They've never heard the Bird before  
I'm sure I'll be makin' it big  
Just giggin' with those Cat's in New York Blow into town  
The joints are really jumpin'  
With some cool bopin' music  
Man it's really quite a scene  
I can't wait to get out there  
And take out my horn and play  
I'm gonna be hangin' with those cats in Harlem  
Spendin' all day playin' bebop  
I'm cutting Scrapple from the Apple  
Goin' to cut this Apple right down to the core  
I'll put some Scrapple on the floor for sure  
I'll be makin' it big just giggin' with these cats in New York
