

# Pipeline

## Depeche Mode

Get out the crane  
Construction time again  
What is it this time? We're laying on a pipeline Let the beads of sweat flow  
Until the ends have met, though  
It could take a long time Working on a pipeline  
Taking from the greedy, giving to the needy On this golden day  
Work's been sent our way  
That could last a lifetime Working on a pipeline From the heart of the land  
To the mouth of the man  
Must reach him sometime We're laying on a pipeline  
Taking from the greedy, giving to the needy Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy
