Linda With The Lonely Eyes

George Hamilton IV

I've got a funny feeling this mornin' on my paper out
Cause all the curtains and blinds were missin' from my Linda's house
And in the screen I found the note written in Linda's lonely way
Saying goodbye darling stop the paper we'd moved away
Oh oh oh goodbye you strange little girl oh goodbye it's a strange strange world
Oh goodbye my Linda with the lonely eyes
Oh oh oh goodbye I don't know why oh goodbye why you should cry
Oh goodbye Linda with the lonely eyesAs soon as Linda and her folks moved in to town we become sweethearts
Although she warned me many a time someday we would have to part
She said her daddy was some kinda secret agent with the FBI
But I didn't understand 'till now why Linda had those lonely eyes
Oh oh oh goodbye
