

# The Entertainer

Alesha Dixon

Let the lights light up  
Let the cold get warm  
(Warm up)  
You think you've had it all  
But you ain't had anything before, had anything before  
Eye line is like a soldier  
I'm military every move is solar  
Put it on a guarantee  
That you ain't never seen nothing like me, seen nothing like me  
Make you laugh along  
I'll sing your song, we can go, go  
You wanna piece of the pie  
Mr. Diamond Eye, what you wanna know?  
Come in a little bit closer  
I'm not a poster through your window  
I'm the real thing  
Ladies and gentleman, introducing  
I'm the entertainer  
(Entertainer)  
Entertainer  
(Entertainer)  
Each time I begin I perform till the end  
I'm the entertainer  
(Entertainer)  
Entertainer  
(Entertainer)  
When I win you 'round I'll take my bow  
I'm the entertainer, ha ha ha, ha ha ha ha  
I'm the entertainer, ha ha ha, ha ha ha ha  
Keep the peace, a leap of faith  
Take a count to 10 from alpha to omega  
Close your eyes baby, don't blink, blink, blink  
Baby, don't you think, think, think?  
I'm the queen of hearts but only yours  
When I take it down and bring you up, ah  
Follow me like a puppet on a string  
Anything I do you'll be doing it again and again and again  
Make you laugh along  
I'll sing your song, we can go, go  
You wanna piece of the pie  
Mr. Diamond Eye, what you wanna know?  
Come in a little bit closer  
I'm not a poster through your window  
I'm the real thing  
Ladies and gentleman, introducing  
I'm the entertainer  
(Entertainer)
