

# Playing In The Band

[unknown]

Some folks trust to reason  
Others trust to might  
I don't trust to nothing  
But I know it come out right  
Say it once again now  
Oh, I hope you understand  
When it's done and over  
Lord, a man is just a man

Playing

Playing in the band

Daybreak

Daybreak on the land  
Some folks look for answers  
Others look for fights  
Some folks up in treetops  
Just look to see the sights  
But I can tell your future  
Look what's in your hand  
But I can't stop for nothing  
I'm just playing in the band

Playing

Playing in the band

Daybreak

Daybreak on the land  
Standing on a tower  
World at my command  
You just keep a turning  
While I'm playing in the band

If a man among you  
Got no sin upon his hand  
Let him cast a stone at me  
For playing in the band

Playing

Playing in the band

Daybreak

Daybreak on the land
