One two three fourPaint no illusion, try to click with whatchu got Taste every potion, 'cos if you like yourself a lot Go let it out, go let it in and go let it outLife is precocious in the most peculiar way Sister psychosis don't got a lot to say She go let it out, she go let it in, she go let it out She go let it out, she go let it in, she go let it outIs it any wonder why princes and kings Are clowns that caper in their sawdust rings? Ordinary people that are like you and me We're the keepers of their destiny We're the keepers of their destinyI'm going leaving this city, I'm goin' drivin' outta town And you're comin' with me, the right time is always now So go on let it out, go let it in, go let it out So go on let it out, so go on let it in, go let it out it any wonder why princes and kings Are clowns that caper in their sawdust rings? Ordinary people that are like you and me We're the builders of their destiny We're the builders of their destiny We're the builders of their destiny We're the builders of their destinySo go let it out, go let it in Go let it out, don't let it in And go let it out, go let it in And don't let it out, don't let it in, don't let it in, don't let it in
