Shooting Stars (POOLCLVB Cover

Bag Raiders

It's late and I'm awake
Staring at the wall
Open up my window
Head floats out the doorNo one else around
The shimmer takes my eye
I lift my head
Blinded by the skyFeel my weight in front
Following the sound
Moves away so fast
Fall down to the groundI know there's more to come
Jump back to my feet
Now I only see ahead of me
Chasing down the street
Gave my love to a shooting star
But she moves so fast
That I can't keep up
I'm chasing
I'm in love with a shooting star
But she moves so fast
When she falls then
I'll be waitingGave my love to a shooting star
But she moves so fast
That I can't keep up
I'm chasing
I'm in love with a shooting star
But she moves so fast
When she falls then
I'll be waiting
Gave my love to a shooting star
But she moves so fast
That I can't keep up
I'm chasing
I'm in love with a shooting star
But she moves so fast
When she falls then
I'll be waiting
