

My, My, My

Johnny Gill

Yeah
So good
My, my, my, my
You look so sweet
Listen
Put on your red dress and slip on your high heels
And some of that sweet perfume, it sure smells good on you
Slide on your lipstick, and let all your hair down
Cause baby, when you get through Im gonna show off you
Tonight will be a special night
No matter where we go
And Im so proud to be with you
I just want to let you know
You got my sayin my, my, my, my, my, my
You sure look good tonight
And youre so damn fine
I wanna say my, my, my, my, my, my (Uh-huh)
You sure look good tonight (Tonight, after all this time)
Slip on your nightgown, step in our bedroom
First I wanna take some time, I just wanna look at you
Girl, you are so fine, I cant believe my eyes
And all that I wanna do, I wanna make love to you, oh
Tonight will be a special night
Of many more to come
And Im so proud to be with you
So proud to share your love
My, my, my, my, my, my
You sure look good tonight
I wanna say my, my, my, my, my, my, my, my, my, my, my, my, my, my, my
Make love all night long, make love till the break of dawn
Come on, come on Sweet little thing, yes, you do
Yes, you do, do
Yes, you do, yes, you do, do, do, do, do
Yes, you do, do
Yes, you do, yes, you do
And Im so proud to be with you
So proud to share youre love
You got my singin my, my, my, my, my, my
You sure look good tonight

I wanna love you, I want to love you in every, every way
Let me, let me show you how sweet its gonna be
I wanna show you things that you never
You never, ever, ever seen before
Put your nightgown on
Let your hair hang low
Step into our room
Im in the mood to love you all night long
You got me sayin my, my, my, my, my, my, my
My, my, my, my, my, my, my
My, my, my, my, my, my, m-m-m-my, my, my, my, my
My, my, my, my, my, my, my
See, all you got to do, all you gotta do
Is say that youll be mine, all mine, all mine, all mine, all mine
Youll be all mine tonight, baby
Let me, let me show you how sweet its gonna, whoa
My, my, my, my, my, my
You sure look good tonight
My, my, my, my, my, my
You sure look good tonight
My, my, my, my, my, my
You sure look good tonight
My, my, my, my, my, my
